

Leveraging Tools that Build Equity into Climate Resilience Initiatives

Date & Time: 24 October 2022, 2-5pm ET

Location: 3rd Floor, Grand Ballroom 9 & 10, Baltimore Marriott Waterfront

Invitation Only

Participants will work together in this workshop to develop:

- A community (throughout NAF and beyond)
- Questions and intentions to keep in mind when attending NAF presentations & facilitating resilience projects afterwards
- A sense of purpose and direction around incorporating equity into resilience projects
- Knowledge of a new set of equity tools, including the forthcoming EPA Equitable Resilience Builder tool

Learning Objectives: Get real about the barriers to creating equity through climate resilience & create change

- Identify common barriers to successfully incorporating equity and achieving equitable outcomes during resilience planning processes and projects
- Introduce and discuss how we could leverage new and existing tools and tactics to overcome those barriers
- Practice basic storytelling and listening techniques and discuss how they can be incorporated into future projects
